## THE EXOTIC FELINE RESCUE CENTER CATS

### FIELD AREA

**Brook** is a beautiful female lion who arrived from a reputable Pennsylvania rescue facility. Upon arrival she lived with Annie. Brook is 18-years-old and displays a sweet personality. If interested, click on the link to view Brook's surgery for chronic constipation. Be aware that this video contains footage of the surgery. [Video of Brook's surgery](#)

### PUBLIC TOUR AREA

**Boi Pello**, African Serval, is located in the first enclosure on the public tour. As all servals are, Boi Pello is quite standoffish and does not like people. Hissing appears to be one of his favorite activities.

Boi Pello was found living in Connecticut with an unlicensed owner. Arriving at the center over ten years ago, he has become a favorite for several visitors and volunteers. He also is pictured on one of our t-shirts that visitors can purchase at the merchandise building.
