**EFRC WELCOMES NINE CATS TO THEIR FOREVER HOME**

---

In early November, the rescue center traveled to Colorado to bring five tigers to their new forever home. Angel, Bella, Jamie, Timothy and Phoebe, orange tigers, have spent their first couple of weeks in their new home. These tigers have a list of medical problems that will be dealt with as soon as possible. This rescue was made possible by Tigers in America.

Along with the five new tigers, four small cats have joined the other EFRC resident felines. Denali, a male Canada lynx, Ana, a female Bobcat, and Continga and Maggie, two female servals came to us when a traveling animal show in central Indiana closed. Denali and Ana are at the beginning of the public tour.

---

**NEWS RELEASE:** EFRC staff left yesterday, December 7, to pick up five more tigers from Colorado. Two tigers will become EFRC residents while three tigers will be moved to another rescue facility. More information will be provided in the January 2017 ENEWS.
