THE EXOTIC FELINE RESCUE CENTER

Giving Big Cats a Second Chance

SAVING THE BIG CATS CHARITY AUCTION

We want to thank everyone who attended the Saving the Big Cats Charity Auction. It was a fun-filled afternoon with many BIG CAT supporters. Attendees enjoyed great food and drink while bidding on fabulous items donated to help the BIG CATS. Again, thanks to everyone who came and we hope you had a great time.

The rescue center would also like to thank all of the volunteers who donated their time to serve at the event. We could not have done it without you.

Public Tour Cats

Dakota, female CanadaLynx, came to the rescue center several years ago. Her owner brought her to the center when he no longer could care for her. Dakota is an older cat but that doesn't stop her from delighting guests when they visit. Most visitors feel that Dakota is one of the cutest cats at the center.

Field Cats

Samara, female tiger, was rescued from a road-side zoo in northern Indiana. Upon arrival, she was housed with her sisters. Unfortunately, sister tigers tend to not get along. Because of the conflict between Samara and her sisters, she was separated from them. She is more than happy with the new arrangement of living by herself as are her sisters. Her cute personality shines through daily. Overnight guests can visit with Samara while touring the field area.

Merchandise

Display your love for the Exotic Feline Rescue Center by purchasing a car magnet. We have a few different designs that are available when in stock. If you purchase a magnet and attach it to your car remember to take the magnet off before going through the car wash. Remember, except for tigers, cats do not like water!

Recent Rescues

We recently made a trip to Michigan to rescue three male orange tigers. One of the males is quite young while the other two are in their very late teens. At this time, none of these tigers are on the public tour.
