Public Tour Cats

Sophie, female tiger, is the first tiger you meet on your tour. Sophie came to us several years ago from a breeding facility in southern Indiana. Sophie greets every visitor and every staff member with a hello chuff but she also can be an excellent stalker. If you turn your back on Sophie, she is more than likely to pounce. She also enjoys being "Queen of the Hill."

Many visitors can report they have seen Sophie sitting on top of her tunnel. We think she is just wanting to make sure the center is running as it should.

Field Cats

Paco, female black leopard, arrived from a facility in Flat Rock, Indiana. She is in her late teens and is located in the field area.

She is known for her whiny personality but she is also very friendly with the keepers.

She lives by herself and is quite happy with this arrangement.

Merchandise

Our lion patch is for anyone who wants to wear their love for the Exotic Feline Rescue Center. Many Boy Scouts, Girl Scout and motorcycle clubs purchase our lion patch. The patch is \$6.00 when ordered online and \$5.00 when purchased at the merchandise building.
