Giving Big Cats a Second Chance

SUPPORTING THE EXOTIC FELINE RESCUE CENTER

Many guests have asked how they can help the rescue center. There are a variety of ways to help: visiting the center for a tour, attending a fundraising event, sponsoring a cat, purchasing merchandise, etc. Another way to help the center is through Amazon Smile. Visit our website for further information. Supporters can also aid the center by using the Kroger Community Rewards Program. While purchasing groceries, supporters can help the BIG CATS. Click on the link for additional details.

Public Tour Cats

Stripes, female tiger, has moved into her permanent enclosure. Stripes came to us from Colorado. You will meet Stripes at the beginning of the tour. Stripes has a striking characteristic that leaves most guest laughing: she is constantly 'talking'. She's very loud and 'talks' non-stop. It seems she enjoys interrupting the tour guides when they are attempting to discuss her neighbors. She wants attention and she wants it now.

Field Cats

Barbie, female orange tiger, came from Wisconsin in 2013 along with three other tigers. Barbie is a friendly tiger but does not chuff at visitors or staff. When fed, Barbie stalks her food and then pounces on it when she is sure its not going to move. Overnight guests have the opportunity to visit with Barbie on their field tour.

Merchandise

Supporters can purchase EFRC admission tickets online for themselves or as gifts for

family and friends. Online adult admission is \$11.00 and online child admission is \$6.00.
