Public Tour Cats

Zoe, female tiger, came to the rescue center after being rescued from a facility in Miami County, Indiana. Zoe had been living in a small circus cage in a barn for several years. Although Zoe's past was very difficult, she is a friendly, playful tiger that loves all of our visitors. Make sure you take the time to visit with Zoe while on tour.

Field Cats

Simba, male lion, arrived from the same Miami County, Indiana facility as Zoe. Simba started his time at the EFRC on tour but was then moved off the public tour to the field area. Unfortunately, his loud roar is no longer heard on the public tour but overnight guests will see Simba during their field tour.

Merchandise

EFRC keychains are available at the EFRC merchandise building. Each keychain has a picture on the front and back and also works as a flashlight. The cost is \$6.00 and we are sure you will never lose your keys if you purchase a keychain.
