THE EXOTIC FELINE RESCUE CENTER

Giving Big Cats a Second Chance

Monthly Highlight

The Exotic Feline Rescue Center wants to thank everyone who attended the Saving the Big Cats Charity Auction. A fun afternoon was had by all. All the money raised will help us continue our mission of taking care of abused, neglected and abandoned exotic felines. The auction committee is already planning for the Saving the Big Cats Charity Auction 2019.

CAMP ROAR 2018

We are excited to announce the dates for Camp Roar 2018. June 27 and July 11 are for 8-11 year old children and July 18 is for 12-15 year old children. This year campers will learn about the BIG CATS through educational activities that will include BIG CAT and endangered species facts, a simulated rescue of BIG

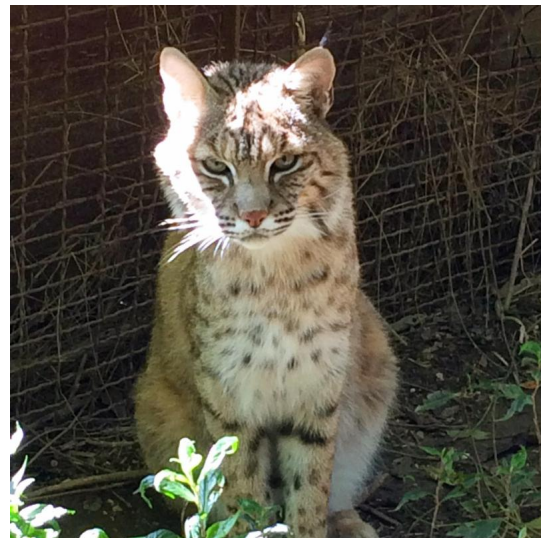

CATS, rescue stories of our resident felines, and the day-to-day running of the rescue center. During these activities campers will use their creativity, their problem solving skills, their leadership skills and their ability to work together as a group. Along with some traditional activities, new activities will be introduced this year. Cost is \$75.00 per child and registration will open on March 1, 2018.

Public Tour Cats

Knickers, male bobcat, came to the rescue center via Kentucky. He is an adorable bobcat but does not care for attention. Getting Knickers to move into his small part is not easy so it takes some coaxing from staff. The keepers understand Knickers's idiosyncrasies and can work with him as needed. Knickers is at the end of the public tour but more than likely you will not see him.

Field Cats

Moe, orange male tiger, arrived recently from Topeka, Indiana. He is housed with his father Eennie. Chuffing is one of Moe's favorite things to do. He also loves attention from our keepers which makes him easy to work with when feeding and cleaning need to be done. Moe will enjoy a long life at the EFRC. Overnight guests will enjoy visiting with Moe. We are sure he will greet them with a friendly chuff.

Merchandise

People always wonder if the rescue center is open in the winter and the answer is YES. It is a great time to visit and it is a wonderful time to spend the night. Check out our 'Overnight Experience' on our SHOP page. If you spend the night, you will see cats not on the public tour and you will spend time with a keeper.
