## THE EXOTIC FELINE RESCUE CENTER

Giving Big Cats a Second Chance

### 2018 CAMP ROAR

Our 2018 Camp Roar campers have enjoyed learning about the rescue center's resident felines. They have also participated in a simulated rescue, an obstacle course and created an enrichment item for a group of tigers! Check out the Camp Roar Facebook page for more photos.

#### **Volunteer orientation**

Please join us on July 15 and August 11 for volunteer orientation. If you have ever thought you would like to be more involved with the rescue center, this is the perfect opportunity. Working in the merchandise building, leading tours and greeting guests are just a few of the positions we need to fill. Be sure to sign up through our website and come dressed for the weather. A tour of our facility is part of the orientation, rain or shine

## Off Tour Cats

**Pandora**, female tiger, arrived from Michigan in March 2017. She is approximately 15-years-old and lives alone in an area that is not on the public tour. Pandora is an independent tiger. When the keepers arrive at her enclosure, she might chuff at them but she is just as likely to turn away from them and continue with her own agenda. To see Pandora, you will have to participate in our 5K Run Through the Jungle and take a peek at her as you are running by.

---

## Field Cats

**Lilly**, female tiger, arrived from Topeka, Indiana in 2017. She is one of our youngest tigers at 3 years of age. She is full of spunk. She spends much of her day running around her enclosure and irritating her sister, Jilly. Overnight guests will see Lilly and her sister during the tour of the field area. In the photo, Lilly is in the back and Jilly is in the front.

## VOLUNTEER SPOTLIGHT

The EFRC considers their volunteers an integral part of the center. Without their service, the center would not be able to run as smoothly as it does. For the next year, we will be highlighting those volunteers who have dedicated their time to make the center a better place. Everyone has a reason why they choose to volunteer at the center and they love to share that reason with our guests and supporters. This will be the space for them to share.

Maybe you will be motivated to join our volunteers after hearing their stories.
