

2019 EFRC NEWS

THE EXOTIC FELINE RESCUE CENTER

Giving Big Cats a Second Chance

Bolero

Bolero is a new addition to the EFRC family. He and 14 other cats took a trek across country to be with us. Thanks to our friends at In-Sync Exotics (non-profit wildlife rescue organization) who transported the cats from California. Wildlife Waystation decided to close it's doors after dealing with flooding and wild fires; they felt the cats would benefit from a new home. In-Sync's staff was generous enough to make 2 trips to bring us all fifteen cats. Bolero is eleven years old and loves to play. He especially loves his boomer balls. Click the link below to see him in action.

This rescue was coordinated through a non-profit named Tigers in America out of NY; their focus is to organize and fund rescues of Big Cats in this country.

Winter Wonderland

It's time for lights, magic, and of course... cats. Dust off your ugliest Christmas sweater and join us on December 14th at 4:00pm. For no extra cost, you will get to see the facility lit up with holiday spirit and lead through a (hopefully) snow covered wonderland. If tigers chasing snowballs is not enticing enough, we will also be serving your favorite treats, sweets, and deserts. Those ugly sweaters will be put to the test in our holiday contest with prizes for the winner(s). You can also pick up any last minute holiday presents at our gift shop. No reservations needed for this event, just your friends and family to enjoy the evening.

Festival of Trees

Thanks to some of our awesome volunteers, we have an EFRC themed christmas tree in the Festival of Trees this year in Indianapolis! Find your way to the Indiana Historical Society at 450 W Ohio St. The viewing began November 15th and goes until January 4th. We would love to see you there! Pictured below is our tree and its decorators, Judy and Sharon.

New Merchandise!!!

We recently got in travel mugs! They come in green, teal, blue, red, and silver and feature six cats. These sleek designs are perfect for taking to work and supporting the EFRC on the go! They have been keeper tested and approved.

We are always looking for ways to better the rescue center and give the residence

Don't forget us this

Giving Tuesday!

[Donate](#)

here an enjoyable life, and you can help! With all the chaos that comes with the holidays, please remember the EFRC December 3rd, on Giving Tuesday. All proceeds go right back to helping the cats! Whether that be building new enclosures, investing in more boomer balls and swimming pools, or just buying some tasty treats for the cats, every donation goes a long way! Follow the link to our donation page or come see us in person. We greatly appreciate any contributions!!

Pumpkin Party

Pumpkin party was a smash! The cats and everyone that attended enjoyed the festive enrichment. While the cats munched on their treats, the guests sipped on hot chocolate out of their new EFRC travel mugs.

The newest residence to the rescue center quickly caught on with the fun and eagerly ripped into their meat-stuffed pumpkins. Guests were fooled by the facepaint when their children appeared as their favorite cat. Lots of fun pictures came out of the event, including this one featuring Beaux. Hope to see you next year, the first Saturday after Halloween!

Riley and Tyson

Riley and Tyson came to EFRC in October with three other cats. The five of them were part of the second trip that In-Sync made transporting the cats from the California rescue center, same as Bolero. Bolero and the other nine in his group arrived on September 8th. All

of the cats have adjusted well to their new homes and new keepers. Riley and Tyson are sweet boys that have been chuffing at us from day one! Tyson is in the top picture and Riley is on the bottom.
